What is Giving Tuesday?

Giving Tuesday is a global generosity movement following major shopping holidays Black Friday and Cyber Monday. Flagler Health Care Foundation is proud to be joining the Giving Tuesday movement again this year to kick off the holiday season.

On November 29, 2022, you're invited to make a special gift to support the care and services Flagler Health+ delivers to families, friends and neighbors in St. Johns County and surrounding communities. Mark your calendar and plan to join us as we embark on our goal of \$10,000 in 24-hours.

A gift to Flagler Health Care Foundation, of any amount, supports our areas of greatest need and provides resources for equipment and programs that would not be possible otherwise. Thank you for considering Flagler Health Care Foundation this Giving Tuesday.
