Upgrade your radio interface

OSMAC®
and
handheld
radio users

More than 60% off Toro MSRP

on purchase of a single radio RIU and Lynx Upgrade package. Customer must trade in working HHRI or Base Station to Toro NSN within 30 days of RIU purchase and Lynx Upgrade must be purchased.

Current NSN Lynx customers can purchase an RIU at program price at any time with the purchase of a **Classic 36**, **Optimum** or **Ultimate** renewal plan.

Promotion is available to current and expired NSN customers with a working HHRI or narrowband Base Station.

Upgrade your field interface

LTC Plus™
and
Network VP®
users

More than 70% off Toro MSRP

on purchase of a digital radio FIU to replace any working FIU. Customer must trade in working FIU to Toro NSN within 30 days of FIU purchase.

Promotion is available to current and expired NSN customers utilizing an FIU.
