

The Business Development Center at College of DuPage is pleased to offer this webinar. Feel free to share with other individuals and small businesses.

Disaster 2020: Stories of Survival, Startup & Growth During the Pandemic

October 26, 2020 - 11 AM to 12:00 PM

Register: <https://ilsbdc.ecenterdirect.com/events/33124>

Hear what business owners have created to survive and steer their businesses through the chaos of the global pandemic. Their stories are not only inspirational, they are full of lessons you can take away and use in your business.

This moderated panel discussion features eight local business owners (sharing their stories so you can be better prepared to deal with crisis situations as they arise.

Panelists will represent the following industries:

Hospitality --- Retail --- Consulting --- Food Manufacturing
Plastic fabrication --- Fitness/gym --- Medical Services
Home Care Services
