2020 & A NEW CHAPTER IN SUN SAFE STYLE

Cabana Life began with a bold idea: UPF 50+ clothing you actually want to wear. Today, it delivers more than sun protection. It's a lifestyle that celebrates confidence, sun safety, and effortless travel.

This year marks our 20th anniversary and the start of an exciting evolution.

We're building on our signature look with elevated fabrics, modern silhouettes, and versatile color stories. These styles are designed for every sunny moment, from boating and country clubs to lake days and garden lunches. You'll still find what you love: packable ease, wrinkle resistance, and powerful sun protection in every piece.

While the styles in this catalog lean into familiar favorites, they're just the beginning. Stay tuned for new capsules coming soon.

**The Cabana Life you love,
reimagined for everywhere you shine.**
