

Ridge

222 - Ridge Wallet - Gunmetal Aerospace Grade Aluminum with Money Clip

The Ridge is a minimalist, RFID-blocking wallet. The main cardholder uses elastic to expand to hold up to 12 IDs and credit cards. The typical leather bi-fold gets packed with faded receipts and unnecessary cards, resembling something more like a suitcase rather than a wallet. A traditional money clip made from spring steel. Ideal for carrying: cash, RFID-enabled cards, or business cards. 6061-T6 aerospace-grade aluminum - Anodized

Retail : \$95.00

Ridge

K233 - Ridge Wallet - Forged Carbon with Cash Strap

The strong, slim, and sustainable ridge wallet is now available as forged carbon wallet. The anodized aluminum plating lets you enjoy a scratch-resistant surface. Holds 1-12 cards without stretching out; Blocks RFID to prevent wireless theft; Scratch resistant; Replaceable screws and elastic; Forged Carbon - Premium Grade Matte Finish; Cash Strap: A thin and versatile elastic. Ideal for carrying: cash, ID's, or RFID-enabled cards. Weight: 1.6 oz - 86 x 54 x 6 mm

Retail : \$140.00
