

It's official! HomeAgain Resale Store to open soon!

Important notice to Animal Lovers and friends of the Charlevoix Area Humane Society.

The Charlevoix Area Humane Society is opening a unique "Upscale" resale retail store titled "HomeAgain" in Charlevoix County, 118 Water Street in downtown Boyne City. This store will be distinctively characteristic in its clientele and donor market, as we are not interested in competing with the current and very worthy cause resale stores in the area.

The Charlevoix Area Humane Society's resale store HomeAgain, will be unique in that the inventory will be higher end home accessories, art, collectable items, new and distinctive items not found in other resale stores.

HomeAgain, our Shelter Store will not be a "bargain store" concept, but rather a good deal on great quality items, for a great cause.

We have been considering and working on this concept for a good number of years now, and feel this is the right time~ We are asking you to keep the idea in your thoughts, as you consider tax deductible goods (and services) you can contribute to the cause.

Our objective is to create a consistent and reliable revenue generator to support the mission of the CAHS in saving lives and finding loving homes for animals in need.

We will soon be collecting inventory (like new only) such as decorative home accessories, new store close outs, vintage and designer clothing, art work, collectable items, home accessories, furniture, some antiques, and more...

Our goal is to create an exciting retail store that is a destination location in discovering something new and unique every time you walk in the door, and also a meaningful place to "Rehome" your special donated goods for a great cause.

Thank you so very much for all your support

Further details to come.

With Gratitude,

Scott MacKenzie, Executive Director, Charlevoix Area Humane Society
