

Pet of the Week

Rosa Lu

Rosa Lu was surrendered to us due to her size, energy and wagging tail. There were several small children in her home and the tail was wapping them. Rosa is ultra-sweet and a touch stubborn, she is smart and doesn't want to go into her kennel. She gets along very well with other dogs and we think would do alright with cats. Rosa is also very pretty. Because of her size and exuberance we recommend a home without small children.
