FOR IMMEDIATE RELEASE

11th Annual Project Connect

Odawa Casino – February 28, 2018 from 11:00 am to 5:00 pm

Project Connect is a day of service for those in need in Charlevoix and Emmet Counties. If you or someone you know is struggling with financial problems, housing issues, employment challenges or health concerns please join us for a day of FREE services!

This event will connect individuals with a range of FREE health and human services provided by over 65 local non-profit agencies and other business. FREE services are available in areas such as: Education & Employment, Food & Nutrition, Health & Wellness, Housing & Finance, Kids & Parenting, Veterans Affairs and other Social Services. Guests can receive gifts of household and personal care items.

The Veterans Corner will return for a second year offering local Veterans the opportunity to meet with representatives from Federal, State and County offices. This year Project Connect will also have expanded services related to Food & Nutrition, kids summer camps as well as resources for FREE tax preparation and filing.

No pre-registration is required, however, in order to register for assistance, agencies recommend that you bring certain documents especially if you are looking for tax preparation assistance. For more details including information on transportation to the event, or to download a brochure, go to www.ProjectConnect231.com.

Volunteers are also needed to help with Project Connect. You can register to volunteer and get more information at www.ProjectConnect231.com.

Project Connect believes that by helping people on the road to a more self-sufficient life, we will in turn strengthen our community as a whole.
