Let the Good Times Pour at Bigs' Annual Wine Event

TRAVERSE CITY — Uncork an exceptional time for a great cause at Big Brothers Big Sisters (Bigs) Annual Wine Event, April 24 & 25.

Saturday's main event, which normally takes place in a venue with a lively auction, has been reimagined for 2021. This year, a select group of ten champions across the area will host a private party in their home to celebrate and advocate the work of Bigs. These intimate gatherings will feature culinary delights from The Boathouse Restaurant and Sorellina, providing entertainment, specialty wines and so much more.

On Sunday, we invite the community to join us for Bigs' Bubbles & Brunch. Stroll the beautiful dining room of Sorellina, visit each of the epicurean stations featuring classic and specialty brunch cuisine prepared by Sorellina's Executive Chef Josh Vinocur and enjoy more than 25 champagnes and sparkling wines. All funds raised through the sale of tickets to the Brunch will be matched 50% by the Real Estate One Charitable Foundation. Buy your ticket today at [Bigsupnorth.com/wine](https://bigsupnorth.com/wine).

The weekend-long event, will feature an exclusive online auction with items such as; a Mackinac Island experience for two including flight to the island, dinner at The Grand Hotel and private tour of historic wine cellar; champagne brunch for ten catered by The Boathouse Restaurant featuring Veuve Clicquot; and a Cellar Raid for six with tours of three private cellars, a four-course dinner at The Boathouse Restaurant including inspired and interesting packages you won't want to miss!

All proceeds directly benefit local children, matching them with a caring, positive adult role model who will help guide them to a successful future.

The Bigs Wine Event is made possible by the generosity of 4Front Credit Union, Cherryland Electric Cooperative and Real Estate One.
