

The Charlevoix Commission on Aging's April Travel Club trip is in collaboration with the Little Traverse Civic Theatre of Petoskey!

Please plan to join us on April 17th for the 8 pm performance of August: Osage County. It will be 2 hours performance with intermission. This will be a **FREE evening of entertainment** for Charlevoix County residents 60 years and older.

Please sign up at your Senior Center so that we can have a count of tickets needed. Transit will be available if a ride is needed so please note that on your sign in sheet.

You **MUST** sign up by Friday April 13, 2018 at the Senior Centers. Times for Transit will be posted Monday before the performance.

The play delves into topics of life, death, addiction, deception, love and unresolved issues within the family of Beverly and Violet Weston. Family members are forced to confront their past secrets and present situation. Wrought with emotion, hot tempers, and off-color language, "August: Osage County" will leave audience members amazed and perhaps thinking their family's bad habits aren't so bad after all.
