

About Me

Erica Pattillo

Hello! I'm excited to join the St. Theresa School family as one of your CAIU Elementary School Counselors. I bring over 20 years of experience, including 16 years as a school counselor in the Chambersburg Area School District, as well as four years providing social, emotional, and mental health support within an educational technology company. I look forward to working with all of you to support our students' academic, social, and emotional growth.

Fun Facts

- My husband and I have two sons- Bryce is a Sophomore at Bloomsburg University and runs track. Chase is a Sophomore at Trinity Highschool and plays baseball.
- I love warm weather and being at the beach.
- I enjoy running and working out.

My Family
