Opportunities for Engagement

To further leverage your partnership and involve employees and stakeholders in this important work, Angels & Sparrows offers a variety of engagement opportunities. These include on-site volunteering, organizing food or book drives, preparing summer bag lunches, matching employee contributions, and participating in community events. Engaging in these activities fosters community, team spirit, and meaningful impact.

"Parks Automotive Group is guided by core values that shape our organization and drive our mission to improve lives with every interaction. Our mission aligns perfectly with that of Angels & Sparrows. Personally, my favorite activity is working at the Community Table, serving warm meals with a smile. It’s incredibly rewarding to interact with the guests and build connections with them.”
