We've also added a *NEW* digital branding campaign on Facebook and Google Display that works directly with your print campaign in the neighborhoods. It's a multi touch platform!

- We geo-target the magazine area to reach the same highly-qualified customers you are trying to reach.
- We take your ad and plug it in to Facebook, Instagram and Google and target the people who receive the magazine.
- We help you amplify your brand on all platforms, and now they see you on their coffee table, phone, and laptop!

WHAT YOU GET

- Digital Ad Design Included! Mobile and Desktop.
- Set up and Management of the campaign. Plug and Play.
- Monthly Reporting.
- Branding continuity on all platforms. Print + Facebook + Google Display.

If you'd like to nominate a friend or your neighbor to be featured on the cover on your community magazine.

please let us know.
