

## TOP 4 IN THE 024

Young Professionals are a vibrant part of the professional workforce and vital to building our business community. There are many Young Professionals who work in Grafton and demonstrate outstanding service through active participation in Chamber events, local community programs, and actively volunteering. The Chamber will honor four individuals who embody positive representation in the workforce and in the community.

If you know of a person who qualifies and you wish to nominate them, please write a letter which includes the nominee's name and address, and the reasons why you believe this individual should receive an award. Please adhere to the following criteria:

1. The individual must be under 40 years of age and employed at a GACC member business, church, or organization at the time of the nomination.
2. The individual should possess the following standards:
  - a. Outstanding commitment to their industry, by going above and beyond their job requirements to improve their workplace.
  - b. Integrity, by helping coworkers without looking for personal recognition.
  - c. Community involvement that is not a part of their daily work requirements.
3. Participation in Chamber events.

Four awards will be presented to the winners at the 4 under 40 Outstanding Young Professionals breakfast, held on Thursday, March 7, 2024.

Please submit nomination letters, including your name, address, and phone number to:
