

# The Fish & Wildlife of Ozaukee County

*Lecture 2 of 4, coordinated by the Community Rivers Program*

**Wednesday, February 12th  
6:00pm - 7:30pm  
USS Liberty Memorial Public Library**

*This free program is open to the general public, no pre-registration required.*

Join the CRP and Ozaukee County in a presentation on the County's efforts to improve the fish and wildlife habitat in the Milwaukee River Watershed and Lake Michigan Basin in addition to associated environmental monitoring activities and results.

For more information go to <http://www.riveredgenaturecenter.org/communityrivers/>

*CRP is supported by the following*
