Grafton Education Foundation: PWSB Color Blast 2019

June 4, 2019 at Grafton High School Track

Please help support the quality education of Grafton Schools by becoming an Event Sponsor for our 2019 PWSB Color Blast Run/Walk. This year, our profits will be used to fund grants to Grafton School District teachers and staff for educational projects not funded in the annual district budget. We dedicate this event to the memory of Jill Ruland. Jill, a 4th grade teacher at Grafton Elementary School, touched many lives as a dedicated and compassionate educator. Her positive spirit, smile and love will be remembered forever.
