

EMPTY BOWLS...are filled!

An Event to Support, Inform & Uplift Our Community

November 5th 2020  Ozaukee Pavilion

Enjoy soup meals to-go served in a contactless, safe way. Each meal includes soup, bread, dessert and an interactive conversation starter. Join us at the pavilion (limited seating) or take it to-go for home or the office.

Support local restaurants & Family Sharing's Food Pantry.

Inform others about Family Sharing's mission & the needs in our community.

Uplift each other by coming together over a meal or by gifting a meal to someone important to you.

In this time of separation, Family Sharing invites you to come together at this year's Empty Bowls!
