Event Concludes

We invite you and a female guest to join the women of Crescendo in celebrating 2018 and setting your intention for 2019. This mini retreat will include a gentle, all levels yoga practice and mindfulness session followed by conversation with an amazing group of women. Guests are encouraged to wear comfortable, work-out clothing and to bring along a yoga mat. (We will have a small quantity of mats available for guests who do not have a mat.)
