Connecticut Association for Community Action	Connecticut Association for Community Action, Inc. (CAFCA) is the state association for Connecticut's nine Community Action Agencies (CAAs), the state and federally designated antipoverty agencies to help fight the War on Poverty. Through our strong partnership with the state and federal agencies, community-based organizations, and other state, regional, and national partners, we work to address the causes and conditions of poverty in Connecticut.	https://www.cafca.org/	https://www.cafca.org/covid19/	Community Action Agencies remain open for business. While many CAAs are not accepting in-person, onsite visits, they are continuing to provide services by phone, email, and mail. Customers can also drop off required documentation and/or materials as needed. CAAs continue to administer the Connecticut Energy Assistance Program, or CEAP, and fuel delivery authorizations have been extended from March 16th to April 30th. Additionally, on March 13th, Connecticut Attorney General William Tong and the Connecticut Public Utilities Regulatory Authority (PURA) issued an emergency moratorium that prevents electric, natural gas, and water shut offs throughout the duration of the Public Health and Civil Preparedness Emergency. This allows all residents to remain home safely during this pandemic.	3/31/2020
Connecticut Children's Medical Center	Connecticut Children's Medical Center is a nationally recognized, 187-bed not-for-profit children's hospital in Hartford, Connecticut. They foster a patient- and family-centered environment with a focus on research, education and advocacy. Connecticut Children's welcomes, cares for and protects all children who walk through our doors. We are an institution of acceptance and compassion regardless of nationality or immigration status.	https://www.connecticutchildrens.org/	Connecticut Children's Pediatric COVID-19 Hotline: 833.226.2362; https://www.connecticutchildrens.org/coronavirus/	Visitor restrictions are in effect for all Connecticut Children's locations. Temperature screening of patients and families is in effect at the first floor entrance to the Medical Center at 282 Washington St., Hartford. Our second floor entrance will be closed until further notice. Offers video visits across many specialties, helping to protect our team members and patient families by limiting the spread of COVID-19. As of Monday, March 23, all non-urgent outpatient appointments will be suspended until further notice. All patients whose care is suspended will be contacted and offered appointments once we have resumed services to all patients. If you are coming to Connecticut Children's for care, please call your provider about any possible exposure or symptoms prior to your appointment.	3/30/2020

Pediatric Associates of CT	The doctors are all well trained and have been certified by the American Board of Pediatrics indicating that they are recognized as experts in their field. Philosophy is that nurturing and caring for children demands a trusting partnership between physician and parent. Provide as much education as treatment in order to help your children thrive.	https://www.pediatricdoc.com/	N/A	N/A	3/30/2020
Pediatric Associates of Western Connecticut		https://www.pediatricassociatesct.com/	Please call our office at 203-744-1680 with any medical concerns and our providers and staff will continue to be here to help you with your office appointment or video-telemedicine needs.	During these unsettling times, we want to assure all of our patients and their families that we are OPEN and prepared to take care of your child's healthcare needs. We have instituted HIPAA compliant video-telemedicine visits so we can provide evaluation and treatment of sick children from their home. Continuing preventative child visits is crucial, especially for our younger patients who need recommended vaccines to protect their health. We are no longer seeing any patients in the office who have fever, chills, cough, sore throat, runny nose, body aches, fatigue, shortness of breath and congestion. These patients will be evaluated by our Physicians, Physician Assistants and Nurse Practitioners through our video-telemedicine service. We are continuing to provide office visits for routine follow ups such as ADHD checks, and non-febrile complaints such as rashes, injuries, abdominal pain, etc. Any person entering the practice will be screened for risk and asked to wear a mask. We will only allow the patient to be accompanied by one adult (no siblings, please) to better comply with social distancing recommendations. We are NOT performing in office testing for COVID-19.	
Prevention Works CT	The Governor's Prevention Partnership equips, empowers, and connects organizations, communities, and families to prevent substance abuse, underage drinking, and violence among youth and promotes positive outcomes for all young people in Connecticut.	https://www.preventionworksct.org/	https://www.preventionworksct.org/resources/coronavirus-resources.html	The Governor's Prevention Partnership is providing a number of resources to help mentors, parents, and caregivers talk to youth about Coronavirus.	3/31/2020

Wildwood Pediatrics & Adolescent Medicine	Dedicated to providing the highest quality medical care available anywhere for our patients and their families. Help families nurture their children so that they can become healthy, productive adults who reach their full potential.	https://www.wildwoodpediatrics.com/	https://www.wildwoodpediatrics.com/news/4096861/How-Wildwood-Pediatrics-is-Adapting-to-COVID-19	The Doctors are now set-up for Telemedicine Appointments. If you are scheduled for an appointment using telemedicine you will need to download the ZOOM app. We are currently screening all fever/respiratory symptoms by phone prior to appointments. Please see the two news articles below, under "recent news". We do not have COVID-19 testing in the office. For up-to-date information, access the Yale COVID-19 Hotline at 203-688-1700 or toll-free 833-484-1200.	3/16/2020
