### **About David Hulse, D.D.**

David Hulse calls upon his life work as a minister, teacher, author and a facilitator for self-healing to empower and assist others through the use of vibration and sound. Since the turn of the century he has explored, developed, and created a unique way of using sound and vibration to repattern the etheric body to the 5th dimensional light body.

Participants in David’s classes & workshops invariably comment that they had no idea how powerful the experience was going to be. David’s ability to gather all the fragments of truth from many different disciplines helps bring all your experiences up to now into focus.

*“Don’t underestimate your capacity for inner strength and emotional management, once you put genuine heart into your commitments. A little practice is a small price to pay for accessing the connection to the caretaker within.” ~ Doc Childre, founder of HeartMath*
