

Basic Gardening Roundtable: Native from the Beginning

Monday, May 18, 2020

6:00pm

Online via Zoom

FREE and Open to the Public

Do you want to learn more about gardening with native plants? Bring your questions, victories, failures, your fears and your triumphs, for an informal garden roundtable with experienced local native plant gardeners from the Tennessee Valley chapter. We will offer pragmatic advice on design, plant selection, sourcing, and difficulties encountered from our combined experience.

You will be able to ask questions during the meeting, but if you have specific questions, please send them to Roundtable Mediator Lisa Lemza at lemazala@aol.com by noon May 18th.

You may join the Zoom meeting beginning at 5:45pm, if you need extra time to confirm your audio/video connections.
