

# Conservation of Native Plant Communities

with Trent Deason

Monday, May 11, 2020, 6:00pm

Free online via Zoom

Trent Deason is a preservationist focusing on natural resource management in the Chickamauga National Military Park. He will be speaking about the National Park and the Legacy Project as a part of our Community Conservation Conversations series. Trent will discuss managing plant communities, especially exotic invasive management strategies, but also rare cedar glade species.

You may join the Zoom meeting beginning at 5:30pm, if you need extra time to confirm your audio/video connections.
