

# Stay at Home Gala

*The event  
is imaginary;  
the need is real.*

**Friday, June 14th, 2019  
“imaginary event date”**

What is “home” to you? Putting on your most comfortable clothes and relaxing? Taking a walk in the summer breeze? Laying by the pool? Finishing a good book? Dinner & drinks with friends?

**Whatever “home”  
means to you, enjoy!**

*The need is real,  
the event is imaginary.*

Did I hear you say “**WHAT?**” Yes that is correct...our feet are still hurting from dancing to Lady Gaga last year at the Ten Year Anniversary Gala. This year we are inviting our friends and supporters to put on your lounge wear, prop up your feet and enjoy a relaxing evening at home.

**The Volunteers in Medicine 2019 Gala will be the best event you don't have to attend and the easiest way to make a difference. Save the money that would have been spent on expenses and support keeping our community healthy, well and working. This year, all sponsorships and donated funds will go to direct patient care.**

In lieu of joining us for yet another event, we ask that you **make a donation to enjoy your night off...just think of the difference you can make!** Over 25,000 residents of Luzerne County are still uninsured. Many are working 1 or 2 part-time jobs and getting paid minimum wages to support their families. They are coming to VIM with major medical, dental and behavioral health issues because they haven't been able to afford insurance and health care for many years. VIM is proud to be the safety-net provider by providing **free comprehensive care services to working, uninsured low-income families.**
