New Construction

Shaeffer Hyde Construction is passionate about the art of custom home building. We offer top quality general contracting services. We serve in the diverse roles of collaborator, craftsman, and conductor. We work closely with design teams and trade contractors to fine-tune the execution of every detail. We oversee the entire project from idea to realization, managing the budget, schedule and team that will bring your client's vision to life.

Luxury Renovations

A Shaeffer Hyde renovation is unique. We continue to evolve by innovating and immersing ourselves in trends and new technologies. Many high country homes are primed for bold modernization. Whether the project is purely decorative, or a matter of energy efficiency, our team has the experience and passion required to reinvent your space masterfully.

Property Management

Shaeffer Hyde Home Care will work with our clients to plan and execute a custom property management services strategy. Our services are as unique as our clients, conforming to their requirements and those of each home. With all of Shaeffer Hyde's package offerings, Home Care clients will receive first call alarm monitoring in addition to multi-point customized inspections. We offer our expertise as a stand-alone property manager, or as a compliment to existing caretaking services.
