

Vail Board of Realtors® Local Designation Program

REALFire® Class

Instructors: Wildfire Experts
2 CE Credits

Come for this lunch & learn event to familiarize yourself with the REALFire® Program that was developed by the Vail Board of Realtors®.

This class is geared to help Realtors® understand the REALFire® program which can be shared with property owners. During this class, the wildfire experts will share action items to reduce wildfire hazards and the benefits of this program which include an in-depth, on-site assessment conducted by experienced fire professionals, a detailed mitigation report and the opportunity to earn a REALFire® certificate which may be used to enhance real estate transactions and possibly lower insurance costs.
