# WATER LAW IN A NUTSHELL

**8 CE CREDITS AVAILABLE FOR LAWYERS & REALTORS!**

This seminar will cover all aspects of the law related to water rights and ditch rights as applied in Colorado. Subject matter includes the appropriation, perfection, use, limitations, attributes, abandonment and enforcement of various types of water rights. Additional subject matter will include special rules for groundwater and reservoirs, public rights in appropriated water, interstate compacts and more.

Don't miss this rare and unique opportunity with Aaron Clay! From his 26 years as a water referee at the Colorado Water Court, Clay brings a wealth of knowledge that earned him a reputation as one of the top experts in water law to this eight hour "Water in a Nutshell" course.

This event is a workshop by Eagle River Watershed Council.
