at BOK Financial, Michelle Hayes and Alex Barcza, provide responsive, personalized service to maximize home financing goals. BOK Financial, having recently acquired CO State Bank and Trust, has over 100 years of financial performance history to depend on.

We look forward to earning your business!

In our beautiful valley, reaching and maintaining financial stability can be daunting. The cost of our homes impacts not only our daily lives, it has an effect on our long-term goals. Why give up your dreams for life in the valley? Have you wanted to get out of the rental rat race? Is it time for a second home? Even a refinance might mean more cash available... for home repair, vacation or college savings.
