

White Horse Solutions

White Horse Solutions trademark service is personalized relocation and installation. Our full service solutions provide you with peace of mind that your belongings will be delivered in the same condition that saw them last. In addition, we can provide last mile shuttle service when you are expecting a delivery at a difficult location and your scheduled delivery truck or staff is not equipped to complete the delivery. Logistics challenges are our specialty and that means less for you to have to worry about. Our Team of full-time, experienced movers is accustomed to working and interacting with high end clientele in custom homes, and we handle your possessions as if they were our own.

At White Horse Solutions we like to think of ourselves as an extension of your business or family. Whether we are relocating your home or receiving and installing new furniture for a remodel, we strive to go the extra mile for our clients. Our fleet of trucks can handle the most extreme Colorado weather conditions and our experienced movers will ensure that we leave your home in better condition than when we found it.

When you contact White Horse Solutions you can be sure that you will be met with friendly service directly from our owner or members of our management team. Solving your logistics challenges is what gets us up in the morning and we love making our customers happy. With over 14 years of service to the Vail Valley and surrounding areas we have seen it all and moved it all. Whether you need help moving your house across the valley or are looking for a secure place to store your belongings for the season, call White Horse Solutions today to solve your home challenges!
