

Vail Board of Realtors® Local Designation Program

Vail Valley History

Instructor: Kathy Heicher

This class will provide a general overview of Eagle County history in the time period stretching from Ute occupation to the development of the Vail ski resort. The class will include a PowerPoint slide show featuring photos from the Eagle County Historical Society archives. Local historian Kathy Heicher will provide the narrative, including anecdotes and details that reveal the history of the county. Questions from the audience will be encouraged. Participants will come away from the talk with historical information about each of the communities in the valley. Class will start at the Eagle Library followed by a tour of the Eagle Historical Society

The class rate will be collected as a donation that goes to the Eagle Historical Society
