### Move from Goal Setting to Goal Getting!

Work on setting goals in a fun and exciting classroom environment!

We break boards together in this one. LOTS of FUN!

Have you ever set goals you didn't reach? There are three steps to move from goal setting to goal getting. If you don't know the three steps, odds are you haven't reached your goals. Jim will explain the science behind the steps and help you to reach GOAL GETTING.

One highlight of Jim's real estate career was owning a Century 21 Brokerage that he built up from one office to 9 offices and almost 800 agents. The company was one of the Top 5 in the World for Century 21 and included the #1 producing office in the world for 4 years running.
