# Business Insight Series: Q&A Session on Health Savings Accounts

Join us for an informative and interactive opportunity to learn about the latest HSA trends for individuals, self-employed, and small to mid-size companies and how this account can benefit you now and in retirement with the tax advantages, flexibility, and perks.

**Speaker:** Lisa Wolff, CHSP | HSA Program Marketing & Design

Lisa Wolff is a Certified Health Savings Professional with NBH Bank a subsidiary of National Bank Holdings Corporation. Prior to joining the banking industry four years ago, Lisa worked as the Director of Sales and Marketing for CBIZ and The Hobbs Group, national employee benefit consulting firms. Today, Lisa works with small to mid-size employer group clients to design and implement Health Savings Account (HSA) programs to maximize employee retention through education and communication plans, minimize health care costs and reduce tax burdens.
