The Parish Twinning Programs of the Americas is a national network of parishes that have twinning relationships between parishes in the Caribbean, Central America, and South America with parishes in the United States of America. The United States of America is a community of faith leaders engaged in networking, formation, and advocacy for God's mission.

Advent is a season more than just a season of preparation for Christmas. It is also a time of holy longing. A time to feel in the depths of our being – in our bones – our deep desire for love, salvation, and justice with and among all people. It is a time of lamentation and purification. It is a time of expectation and anticipation. It is a season that demands hope.

We gather as bruised, broken, and sinful followers of Jesus Christ to gather in prayer, to be united in prayer, for the people of Haiti. We cry out in anguish and we listen in expectation. Come Lord Jesus, come to the people of Haiti.
