

TEXTILE REUSE & RECYCLING COMMITTEE DESCRIPTION

The purpose of this committee is to serve the members involved in the collection of textiles in order to promote reuse and recycling. COVID made the reuse industry struggles apparent and revealed the vital role they play in our circular economy.

There will be at least two (2) meetings per year with all members invited to participate. The committee will discuss issues impacting service providers and present information of interest to IRF members.

2021 Committee Members:

Joy Scrogum, ISTC PRI UI, Co-Chair
Kim Cronin, Waste Management, Co-Chair
Gina Peshek, Helping Hands Recycling
Justin Woycke, Chicago Textile Recycling / Wipeco
