

# Compassionate Leadership

## FREE WEBINAR FOR LEADERS

SEPTEMBER 17, 2020 | 12:30PM - 1:30PM EDT

Over the past six months, we have seen our workplaces and organizations undergo overwhelming changes and upheaval. Despite these challenges, there are leaders among us who have faced this crisis with flexibility, empathy, and compassion. What can we learn from these champions of compassionate leadership? How do we incorporate the values of compassionate leadership in our own teams and organizations?

Join us for this free webinar as experts in the field of leadership and organizational health discuss the key components of compassionate leadership during times of crisis.

**FRANÇOISE MATHIEU** M. Ed., RP, CCC.

Françoise is the Executive Director of TEND. She provides expert consultation and training to leaders from a range of sectors including military, police, healthcare, university, child advocacy centers and many other high stress, trauma-exposed work environments.

**CAMBRIA ROSE WALSH** LSCW

Cambria has held the role of Project Director for several state and national initiatives in child trauma treatment & trauma-informed systems. She worked at the Chadwick Center for Children and Families at Rady Children's Hospital for 20 years before opening her own private consultation practice on Trauma-Informed Systems and Secondary Traumatic Stress.

**TAMSYN BRENNAN** MSW, RSW, MBA

Tamsyn Brennan is the Director of Clinical Services at Chisholm Services for Children in Halifax, NS and has years of experience working in social service and education settings including palliative care, pediatric oncology, child protection and welfare, public and private school settings and with Corrections Canada.
