

Community of Transformational Practice Learning Opportunity (COTP)

The Central Coast R-TAC, in partnership with [Scholar System](#), invites you to connect with other grantees through a series of virtual learning opportunities. Each session will provide you with the opportunity to advance knowledge, practice, and engagement.

Our sessions with the Scholar System will provide support to educators in equity, student empowerment and engagement, team building, and classroom strategies. Because student success relies on the commitment and collaboration of all adults, **our COTP sessions are open to all stakeholders supporting the Community Schools work!** With these sessions, we aim to support the entire community of educators, helping them move forward in their mission to promote success for all students.

Learn more about our presenters:

[Dr. Victor Rios](#)

[Audrey Lee](#)

[Dr. Cassandra Villa](#)

[Dr. Natalie Mejia](#)
