

Robert Allen Lee

Robert following his life time dream began his fire service career on June 1, 1977 with the California Department of Forestry (now CAL FIRE) working as a Firefighter I in the San Benito Monterey Unit where he would spend the next 3 fire seasons.

On July 31, 1980 Robert received his permanent appointment as a Firefighter II and Fire Apparatus Engineer for the next 4 years with assignments in Santa Clara Unit, San Benito Monterey Unit and Tulare Units.

Robert promoted to Fire Captain in 1984 initially as a Fire Crew Supervisor working at Eel River and Delta Camps. In 1986, Robert transferred to the Santa Clara Unit. While assigned to SCU, Robert was able to pursue his career dream serving as the Captain on the Alma Heli-tack, helicopter fire crew.

In August of 2001, Robert promoted to the rank of Battalion Chief in the San Mateo Santa Cruz Unit.

On June 1, 2002, BC Lee succumbed to the effects of job-related Coronary Artery Disease (Heart Attack) at the age of 45.

Robert enjoyed several hobbies including flying, playing golf and spending time on the lake, but his greatest joy was spending time with his family.
