# NO ONE LEFT BEHIND

# Charity Golf Tournament

Half Moon Bay, California

**Presented by CAL FIRE Local 2881, San Mateo - Santa Cruz**

No One Left Behind's mission is: "To provide Fire Department members and their families with an opportunity to receive assistance when dealing with cancer. Together we can provide comfort, strength, and hope through our own experiences in dealing with the devastating effects of cancer. Together we can educate Fire Department members regarding the importance of cancer screenings and early detection. Together we can promote awareness that cancer does not have to be dealt with alone."

This campaign was started by a Firefighter with CAL FIRE who fought cancer, won, and had the FSCN by his side through his entire ordeal, supporting him along the way. His story, determination, and desire of giving back to the Firefighter Cancer Support Network inspired CAL FIRE Local 2881 to carry on that torch so that others like him would get the same assistance and support.

The CDF Firefighters Benevolent Foundation 501(c)(3) formed by the Firefighters of CAL FIRE is organized exclusively to engage in lawful charitable and educational activities supporting the families of firefighters and other fire suppression personnel in times of financial need or hardship; assist burn victims and their families and support research and studies on occupation hazards and exposures unique to firefighting. Over \$129,000 in assistance and support was provided in 2015.

By giving to this event you will be supporting the Firefighter Cancer Support Network and our mission while helping us provide assistance to Firefighters in your community. Your participation can help give back to the firefighters who have given so much to their communities.

We hope that we can count on your support! Just like that safety of our community could not exist without the courage and strength of our firefighters, the CAL FIRE Firefighters Local 2881 No One Left Behind event cannot be a success without the generosity to help us grow. Thank you for your consideration in supporting us and our event.

If you continue to have questions, please feel free to call the tournament coordinator at (650) 464 - 2722. Thank you in advance for your support.
