

RACE TO THE PRIZE CONVENTION RAFFLE

The 2020 NPM Louisville Virtual Convention would not be complete without our own Kentucky Derby **Raffle Race!** Five “horses” are racing to the finish line, driven by your raffle ticket purchases throughout the week of the convention.

HERE’S HOW IT WORKS

- Each raffle prize is connected to a horse in the race.
- Purchase tickets for the horse you want to win and you are entered in the raffle drawing for the prize associated with that horse.
- Raffle tickets are \$10 each, and you can buy as many as you want and bet on multiple horses!
- Purchase your tickets through the **Raffle Ticket button** on the welcome page of the Convention platform.
- Proceeds will be divided between *Black Lives Matter* and *NPM Programming*.
- Raffle begins Tuesday, July 7, at 8:00 am EST and closes Friday, July 10, at 6:00 pm EST. Winners are announced during Evening Coverage on Friday, July 10, at 6:45 pm EST.
