

JON MAITREYA STEVENS
SARASOTA, FLORIDA, USA
JUNE 2020

With activism, what are we activating in other people? God. If God isn't activated in us, how can we help activate God in others? With each breath we can take bayat, place our minds on God, fill our hearts full of love, and ask with unceasing prayers to be guided as instruments of God's infinite wisdom. Whatever your part is, do it with great love. Then God will be there. I love you all!
