Program

Our guest teachers this year, Halima and Abraham Sussman, teach and inspire people worldwide. They and other Ruhaniat teachers will offer various sessions with Dance, Music, Meditation, Peacework, Soulwork, Healing Prayer and Ziraat. There will also be space for personal exchange, questions and answers.

In this way we will approach our theme “One Earth – One Voice – One Heartbeat”.

In addition to the Dances of Universal Peace, Abraham and Halima will teach us Murshid SAM's astrological walks in their unique way. The walking concentrations invite us to get to know different energies, to explore and embody them.

Through all these practices and our being together, and in the stream of blessings a healing whole will be woven by all of us.

Location

The youth hostel is located in the Hainich National Park. Its primeval forest invites us to immerse ourselves in the beauty of nature. With our feet on the earth, rooting ourselves and opening our minds we can feel the connectedness in our hearts.

Please note:

This meeting will take place without Zoom transmission.

We look forward to seeing you!
