Carrying the Work Forward: A SUD Training & Quick Reference for Rural Clinic Teams

Presented by Brenda Luther, PhD, RN,
Christopher Hernandez, Data Coordinator, and
Rebekah Perkins, PhD, MS, RN

When a grant ends, what stays behind for the clinics? In our final ECHO, we'll share how four years with rural Utah clinic teams shaped an asynchronous SUD training and quick-reference course, the choices behind it, what we learned building it, and how it's meant to live on.
