

DOUGLAS COUNTY COVID-19 RESPONSE TEAM

Our local COVID-19 updates represent the coordinated effort of the agencies that make up the DCCRT

JOINT INFORMATION CENTER PRESS RELEASE - FOR IMMEDIATE RELEASE – July 24, 2020

DOUGLAS COUNTY COVID-19 RESPONSE TEAM - NOON CASE UPDATE

(Douglas County, Ore.) **Douglas County COVID-19 Test Results:** It is Friday, July 24, 2020, and as of 12:00 pm today, there are **FOUR** people with new positive test results and **TWO** new presumptives since our noon case update yesterday. **The total number of cases (people with positive test results and presumptive) in Douglas County is now at 113*.**

While we are not able to provide case specifics, we wanted to provide some insight into the latest positive test results in Douglas County. In addition to positive cases being linked to travel, our newest cases are directly related to the increase in local social gatherings; like birthday celebrations, sleep overs, sporting events and parties. Unfortunately, that also means we are seeing younger and younger residents, including children and teens being added to those that have tested positive for COVID-19.

Douglas County, OR - COVID-19 - Case Update

Date	Monday, July 20, 2020	Tuesday, July 21, 2020	Wednesday, July 22, 2020	Thursday, July 23, 2020	Today, Friday, July 24, 2020
Total COVID-19 Cases	88	90	92	107	113
People with Positive PCR Test Results	76	77	78	98	102
Presumptive	12	13	14	9	11
Total Currently Hospitalized	0	0	1	1	1
Total Currently in Isolation	26	27	24	37	39
Total COVID-19 Related Deaths	1	1	1	1	1
Total Negative Test Results	6604	6703	6781	6958	7120

*Our daily update includes the total number of cases in Douglas County, which combines people with positive test results and presumptives. We provide a breakout of the people with positive test results and presumptives in the chart above. Please note there will be times when a presumptive will move to a positive test result, and our total case number will not change because the case has already been counted, instead you will see an adjustment to our breakout numbers for positive test results and presumptives.

Travel, Visiting and Social Gathering Caution: Our newest positives test results have been directly linked to travel outside Douglas County, and especially those residents that have chosen to travel outside of Oregon. Data from CDC and OHA show that traveling and coming into contact with people from other areas, especially COVID-19 hot spots, DOES significantly increase your chance of getting and spreading COVID-19. Additionally, we are seeing cases linked to close-contact at social gatherings. Whatever your reason for traveling or attending a party, we encourage you to please consider the risk and only go if you can do so in a COVID-19 safe manner. The COVID-19 virus is still here, still infectious and will be around for quite some time. So, before you travel, attend a party or invite your relatives from out of state to visit, you need to assess the risk to you, your family and to your local community. The bottom line is that each and every person needs to take personal responsibility for their actions and adopt the proper precautionary measures to prevent the spread of COVID-19. [Click here for the link to our article about COVID-19 Travel Tips.](#)

The Douglas County COVID-19 Response Team, under the direction of the Douglas County Board of Commissioners encourage citizens to continue to help us keep our communities safe and strong and prevent the spread of COVID-19 by following [DPHN's guidance for the Three W's – wear, watch and wash](#). As Commissioner Tim Freeman stated yesterday, "It seems too simple to be true, but the way we stop the spread of this virus is to follow these simple recommendations: maintain a six-foot physical distance from others, wash your hands often, avoid group and social gatherings, wear a face covering where recommended, stay home if you are sick, curtail your travel and discourage those traveling from visiting you. It's really that simple."

OHA expanded their reporting for COVID-19 case management to now include presumptive COVID-19 cases in their total

U.S. Department of Veterans Affairs
Veterans Health Administration
Roseburg VA Health Care System

case number. DPHN is reporting the number of people with new positive test results and any new presumptives, and uses the OHA's definition of presumptive as having had close contact with a known, confirmed COVID-19 case, showing symptoms and not yet having a positive nasal swab/PCR test for COVID-19. Testing continues, as DPHN has been holding 2-3 clinics a week and hospitals, urgent cares and clinics continue to test. DPHN continues their epidemiologic investigations, identifying individuals who may have had close contact with individuals that have tested positive for COVID-19, advising and supporting quarantine and isolation.

Previously, we used the OHA definition for recovered that considered people recovered if they were 10 days from onset and symptoms were improving. As more is learned about COVID, the clinical definition of recovery is evolving. Due to the evolving nature of this definition, we have removed the column in our chart listing our recovered cases. We added the number of those in isolation that roughly correlates with the number of active cases. The DCCRT noon case and daily update will report the Total Number of COVID-19 Cases, the number of positive test results (as of 12:00 pm that day), the number of presumptive, total currently hospitalized, total currently in isolation, total COVID-19 deaths and total negative test results in Douglas County. *Currently, DPHN is supporting 39 cases in isolation.*

Getting Tested & Testing Clinics

The next drive-through testing clinic will be today, Friday, July 24, 2020, in Roseburg. As a reminder, if you are having symptoms of COVID-19 including cough, fever, shortness of breath, muscle aches and pains, diarrhea, sore throat or decreased sense of smell and taste, talk to your health care provider about being tested for COVID-19. Patients without a Primary Care Provider, that are looking for a COVID-19 test should contact the Sutherlin Aviva Health Clinic at (541) 459-3788. The first drive-through testing site was piloted in the county on March 17, 2020, there have been 1142 people tested in 51 drive-through clinics, while additional testing continues in hospitals, urgent cares and clinics. The drive-through clinics are led by DPHN, in conjunction with partner agencies including; Douglas County COVID-19 Response Team, Douglas County Board of Commissioners, Douglas County Sheriff's Office, Douglas County Public Works, local volunteers and local health professionals.

Oregon COVID-19 Case Update

Oregon Health Authority (OHA) reports new cases once a day on their website at www.healthoregon.org/coronavirus. OHA also releases a daily situation status report and a weekly report that details the overall picture of the COVID-19 outbreak within our state. The daily report details positive and presumptive cases, as well as deaths by county and statewide, while the weekly report is more in depth and includes statistical data related the severity of cases by age, gender, zip codes, ethnicity, as well as information on workplace and senior care facility outbreaks in Oregon. Find additional information on the state or federal COVID-19 response go to [Oregon Health Authority](#), [Centers for Disease Control](#), and [211Info](#).

Facebook Live with Dr. Bob Dannenhoffer

Join us tonight, Friday, July 24, 2020 for the next virtual town hall Q&A with Dr. Bob Dannenhoffer, your Douglas County Public Health Officer at 6:00 pm, hosted by DPHN and found on the [DPHN Facebook page](#).

Stay Informed with Local Accurate Information

Stay up to date on COVID-19 in Douglas County on the [Douglas County Government website](#) or the [DPHN website](#). Your Douglas County Board of Commissioners, Douglas County Public Health Officer, Dr. Robert Dannenhoffer and the Douglas County COVID-19 Response Team (DCCRT) have been working hard to cooperatively provide accurate and timely information to Douglas County residents since March 8, 2020. **Our local COVID-19 updates represent the coordinated effort of the agencies that make up the DCCRT.**

Local COVID-19 Hotline: If you have questions about COVID-19 and available local resources, call the Douglas County COVID-19 Hotline at (541) 464-6550. It is staffed by local volunteers from 8:00 am to 5:00 pm, 7 days a week.

Got Questions about the Governor's Phased Reopening Plans or her Newest Statewide Rules?

If you have questions or need more information about the Governor's Phased Reopening Plans, Sector Specific Guidelines or her newest Statewide Orders go to the Governor's COVID-19 website at <https://govstatus.egov.com/or-covid-19/> or call Business Oregon's Navigator Hotline at (833) 604-0880.

Who Do You Contact to Report Compliance Issues with the Governor's Statewide Rules?

Please do not call 911, Douglas County Sheriff's Office or Douglas County Offices to report compliance issues with the Governor's orders. The Governor has directed the State of Oregon offices for Oregon Occupational Safety and Health (OSHA) and the Oregon Liquor Control Commission (OLCC) to be the enforcement agencies responsible for ensuring restaurants, bars, and other businesses comply with COVID-related rules.

[Click here](#) to read the Governor's official press release on COVID-19 rules compliance.

[Click here](#) to review the Governor's latest statewide rules, effective Friday, July 24, 2020.

For more information or to report compliance issues concerning the Governor's COVID-19 orders contact:

OSHA: (800) 922-2689 or [OSHA website](#) or OLCC (503) 872-5000 or [OLCC website](#)
