## The Jewish Case For Abortion Access: Discussion, Study, and the Launch of NCJW's Abortion and Jewish Values Toolkit

## Tuesday, May 26 at 4:30 pm ET

*Speakers: NCJW Board Vice President Rabbi Lori Koffman, ALEPH: Alliance for Jewish Renewal Executive Director SooJi Min-Maranda, Rabbi Danya Ruttenberg, Rabbi Rachel Timoner*

The National Council of Jewish Women (NCJW) is proud to debut the **Abortion and Jewish Values Toolkit**, an extraordinary new resource designed to offer tremendous support and insight into our work to protect and expand abortion rights and access for all. For over 125 years, we have boldly imagined a world where every person can make their own moral and faith-informed decisions about their body, health, and future. Now, in the face of false narratives and appalling rhetoric concerning this critical issue, it is more important than ever to lift up the voices of people of faith who advocate for bodily autonomy because of our religion, not in spite of it. Join us on **May 26 at 4:30 pm EST** to hear from a panel of experts as they discuss the Toolkit and explain how YOU can effectively convey Jewish values and traditions in your reproductive health, rights, and justice advocacy work.
