

Intermediate Plan

If you run regularly but are looking to step up your game a little bit or just need some structure to follow this is your plan. The goal of this plan is to be able to cover 13.1 miles at the end of the 8 weeks, starting with a run of 6-7 miles in length. This plan includes one long run and one harder workout each week. Be sure the non-workout days are run at an easy pace, a pace where you can breathe comfortably and could hold a casual conversation with someone.
