## 25-hour or 30-hour Contractor Pre-Licensing Course

This Pre-License Course meets the 25-hour course requirement to become a Licensed Contractor in the State of Utah for subs and the 30-hour for General Contractors. Once complete you will know about construction management, Utah lien law, bidding, insurance, and accounting. We'll also cover filling out the application and you will understand your role and responsibilities as a contractor or subcontractor in the state of Utah. We'll also cover the Business Law Exam in the 5-hour course. You must be registered to attend. No walk-ins.
