HERBACEOUS PERENNIAL DIAGNOSTIC TRAINING

July 25, 2019 • 8:30 a.m. - 4:00 p.m. • The Perennial Farm, Glen Arm, MD

Join your peers at this seminar designed to improve the **diagnostic skills** of herbaceous perennial growers. Attendees will have **hands-on** opportunities to **solve plant problems** and grow healthier perennials. The day will include both hands-on sessions as well as **lecture sessions**. Topics will cover everything from diagnosing diseases, to growth regulators, to water management techniques and **much more**.

Speakers include:

- Rick Watson,
Owner of the Perennial Farm
- UME Professionals: Stanton Gill, Karen Rane, Andrew Ristvey, Dave Clement
- Joyce Latimer, VA Tech
- Sara Tangren
- Kirk Floyd with a special live drone presentation

Catered lunch is included; recertification credits will be available.
