

Job Opening Part Time or Full Time Land Surveyor Crew Chief

Candidate must have experience in **property boundary surveys**, ALTA Title Surveys, topographic & features surveys, residential & commercial construction stakeout, and utility surveys.

Candidate must have experience with deed research, especially old deeds, title reviews, computing traverses, record plats, establishing horizontal and vertical control. "People Skills" when interacting with clients is as important as technical competency. Especially when establishing a property line that involves a neighbor dispute.

PA. Surveyor-in-Training Exam with plans to take PLS exam a plus. Knowledge of Terra-Model, Word, Excel, Outlook, and ability to prepare digital terrain models and contouring also a plus.

West Chester based, Yerkes Associates, Inc., since 1874, is one of the oldest established firms in the country.
