# SUMMER JOB OPENINGS

2019 Summer  
Jobs Opportunities!

## Looking for a great summer job opportunity?

Working at Camp Woods is a life changing and upmost experience. Our small staff team becomes a family of hard working and caring individuals. Our staff shares a common bond and love for Scouting, the outdoors, adventure, working with children, and developing self-worth. Staff are supported from the day they are hired until the last day of camp. We take the time to provide hands on, experiential training and give time for staff to develop the skills they will require to do the job.

Keep your eyes peeled for our job postings for next summer!
