

# Scout Con 2020

“The Return of the Scout Con”

*“Come pull off the greatest Crime with your friends in: **Heist, One Team, One Mission**”*

It is that time again to dust off your Board games, use your wits, and assemble a team of four to pull off the Heist of the Century, this year's Tournament game, with prizes!

Remember the first time you ventured into a dungeon with a party in hopes of discovering lost magical items and long forgotten wealth? Do you still dream of fighting werewolves in the deep forests in the World of Folklore? Can you complete the Quests in time to level yourself up?

Join us at our third annual ScoutCon to challenge your leaders and fellow Scouts to games of strategy, luck and intrigue. Mark the date **January 18<sup>th</sup>, 2020** on your calendar, as Scouting youth of all ages from all over, once again become heroes and embrace the mysteries and challenges of other worlds.
