History & Heroes AB

Foundation was born of a realization by Her Honour, The Honourable Lois Mitchell of the need to increase the understanding of Alberta's past and its place in Canadian History. Initiatives, programs and collaborating with other agencies will allow the foundation to be a leader in ensuring Albertans have a greater knowledge and respect for the history of the province.

The Foundation engages students, educators and the public to illuminate the history and heritage of Alberta. Pride will be instilled and celebrated through telling Alberta's indigenous and immigrant narratives.

Scouts Canada is the country's leading youth organization. For more than 100 years, we have brought a world of adventure, outdoor experience and friendship to 17 million Canadian youth.

Scouts have a lot of fun discovering new things and experiences they wouldn't have elsewhere. Along the way they develop into capable, confident and well-rounded individuals, better prepared for success in the world.

Scouting offers a world where you can discover the best in yourself and the best in others. They run all year round and offer adventures that youth will remember for a lifetime!
